YouTube Channels

Social media presence is becoming more and more important on the open market.

Here we introduce YouTube channels and videos by DIXCEL official distributors.

[Torque GT](#) in the UK provides the best quality performance Japanese cars.

To our surprise, pretty rare and valuable cars even in Japanese market are in their showroom.

Torque GT and DIXCEL are supporting Mr. Danny participating in Toyo Tires Toyota MR2

Championship 2021.

In this video, DIXCEL R01 pads, FP and HD discs were installed in his TOYOTA MR-S.

Wish he will win the games!

Mr. Jesse from [Hanshin Imports](#) in Switzerland is a real enthusiast of Japanese cars.

He posts lots of very informative videos about tunings.

In this video, his friend's outstanding TOYOTA 86 equipped with

DIXCEL Z type pads and SD discs is introduced.

Thank you for choosing DIXCEL!

NEW TO RANGES.

We are proud to announce new to ranges.
