

OSAKA AUTO MESSE 2022

After the cancellation in 2021 due to the Covid19 pandemic, finally, OSAKA AUTO MESSE is back.

Osaka car culture is known for its "bad boy" style as seen in Kanjyo Civic (pictures from the show in the past.) But Covid19 apparently made them good boys staying home, and disappointingly, we could not see those cars/exhibitions this year. Hopefully, they will be back next year!

Despite the current Covid surroundings, DIXCEL decided to run a booth to welcome Osaka car enthusiasts who had been waiting for the show for 2 years. Here, as well as in Tokyo, the display that attract the people the most was our new S type brake pads (Street + Light track use).

NEW TO RANGES.

We are proud to announce new to ranges.
