誰でも分かるブレーキ講座 Brake tutorial course

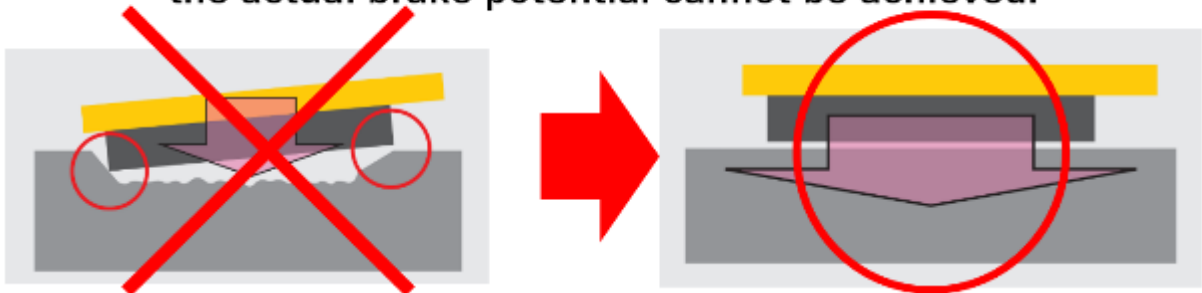

DIXCEL Brake tutorial course, Vol.4 is about the advantages of changing pads and discs at the same time.

What are the advantages of changing brake pads and discs at the same time?

A. Able to achieve 100% performance

It is better to **change the brake pads and discs at the same time**.
If one of discs or pads are not in optimal condition,
the actual brake potential cannot be achieved.

To improve your business, disc sales would be a strong and mandatory weapon. Please share the advantage of changing pads and discs at the same time to your customer, and get opportunity for jump up your business. The most of our top selling distributor have been selling rotors well which imported by sea freight.
