DIXCEL 2025 Racing Season Highlights

The hottest summer on record has finally passed, and temperatures in Japan are now falling below 20°C. At the same time, the exciting 2025 racing season is also approaching its end. Let's take a look back at DIXCEL's highlights and achievements in the 2025 motorsport scene.

GT World Challenge Asia/Australia

DIXCEL served as an official partner for GTWC Asia and a brake supplier for both Asia and Australia series.

China GT

Team DIXCEL by GAHA Racing secured the season championship title.

GEELY SUPER CUP PRO

Geely one-make race series where all vehicles competed using DIXCEL brake pads and discs.

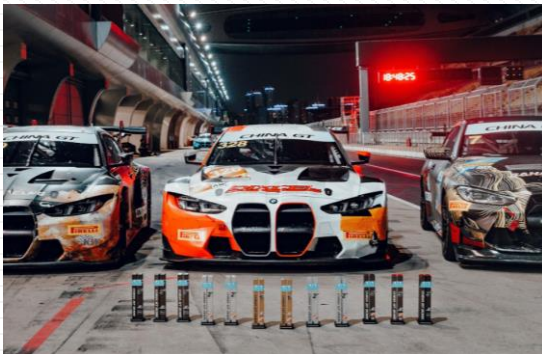

China GR86 Cup

DIXCEL supplied brake pads and discs as official one-make components.

Super Taikyu

DIXCEL provided support to 8 competing vehicles throughout the season.

The following pictures and others are available on our google drive

During an audit, we discovered that your company has not paid for the services rendered. Kindly send us a statement of the paid and unpaid transactions.

5

Thanks to the strengthening of our development department, we are now able to provide suitable part numbers faster than ever before. Since July, we have added over 100 new part numbers each for brake pads and rotors. Please check out on the following pages.
