## Tokyo Auto Salon is all wrapped up!

We exhibited at **Tokyo Auto Salon (TAS)** from **January 9–11 again this year!**

We were excited to welcome **even more international visitors than usual**, and the event was a huge success.

Thank you so much to everyone who stopped by our booth—we truly appreciate it!

Our compact stool, known as the **“Expo Chair,”** was a big hit. The nickname comes from last year’s Osaka-Kansai Expo, where many visitors used these chairs to take a break. Interested in this “Expo Chair”? Feel free to reach out to your account manager.

Check out the TAS photos on [Google Drive](#).

We look forward to seeing you again next year.

# Osaka Auto Messe 2026 is coming soon

This fun motor show is all about **car customization**, featuring **dress-up and tuning cars**.

It's got a slightly different vibe from Tokyo Auto Salon, making it a **must-see for car enthusiasts**.

We're looking forward to enjoying the show and sharing all the highlights! 🚗 ✨
