Change your BRAKES

💡 Expanding DIXCEL Applications Together 💡

DIXCEL is committed to expanding our product applications to become a brand trusted and chosen by even more users worldwide.

Have you ever received an inquiry from a customer in your market, only to find that there was no matching DIXCEL part number available?

We are continuously working to expand our vehicle applications, and we welcome information and feedback from our partners around the world.

If you would like to request a new application setting, please contact your account representative.

Another Thrilling Season Begins !

The race season has officially begun! DIXCEL proudly marks its 10th year as an official partner of GT World Challenge Asia. Each season, the competition gets tougher and the championship continues to grow in popularity. Attendance at the opening round in Sepang was noticeably higher than last year, showing the increasing excitement surrounding the series. The current round was held at Mandalika Circuit in Indonesia from May 1–3. Stay tuned for more action throughout the season!
